

This is my title.

This document exists as a simple sample of the LinuxDOC XML format.

Contents

| | | |
|----------|-----------------------------|----------|
| 1 | Section Title | 2 |
| 1.1 | Subsection Title | 2 |
| 2 | Second Section Title | 3 |

1 Section Title

Here we have a section.

- With a little list.
- And another

1.1 Subsection Title

Where more content could be included.

2 Second Section Title

Here we might have more text.
